All Kids Deserve to Shine

2024 Impact Report

Letter from the President

Dear Friends and Supporters,

As we reflect on 2024, I am filled with gratitude and pride for what Marin Charitable has accomplished. For 63 years, our all-volunteer organization has been dedicated to supporting the youth of Marin County. This past year stands as one of the most significant in our history—not only for what we achieved, but for the foundation we have laid for the future.

In 2024, we awarded more than \$255,000 in grants to agencies throughout Marin County—our largest annual distribution ever. These funds helped expand mentorship programs, enhance access to essential services, and support initiatives that enrich the lives of young people across our community. This record-breaking impact is a testament to the dedication of our members, the generosity of our donors, and the strength of the partnerships we have built over decades.

This year also marked a transformative moment in Marin Charitable's history. Thanks to an extraordinary bequest from John Wilhelm, we are able to take a bold step forward: at the beginning of 2025, we welcomed our first-ever Executive Director, Dawn Shalhoup. Dawn is a long-time member, a past president, and a steadfast advocate for the youth we serve. Her deep understanding of our mission and her unwavering commitment to the youth of Marin County make her uniquely suited to guide our organization into this exciting new chapter.

As we honor Marin Charitable's storied past and look toward a future filled with possibility, I want to extend my heartfelt appreciation. Whether you volunteer, donate, collaborate, attend events, or simply cheer us on, you are part of the impact reflected in these pages. Together, we are building a stronger, more hopeful future for every young person in Marin County.

Thank you for your continued trust and support.

With gratitude,

Letter from the Executive Director

Dear Marin Charitable Family,

I believe in miracles. And, I'd be willing to wager that you do, too. I think it's a sign that we have a desire, or rather, a hope that even against the toughest odds, good things can happen for those who are struggling.

I'd imagine that's why we're all here, sharing even a bit of our precious time. We have hope that our efforts will make a difference for someone else...in our case, a young person who has so much potential and possibility. Perhaps we do it because we've overcome challenges ourselves, experienced our own miracles, or were the recipients of someone's kindness, and we want the same for others. Simply put, it's empathy.

No matter where it comes from, it's extraordinary. You, our agencies, members, supporters and community spark the miracles that create opportunity for thousands of youth in our county every year. This report is a reflection of all you've given to do that; the impact of your contributions of time, talent and treasure.

Everything listed and statisticized here represents a collection of efforts that are making a difference for a young person at this very moment. And, it's a kind of feedback loop. When our young adults thrive, they grow to be the adults who also believe in miracles. And that fuels hope and empathy that results in future miracles for others in our community; for us.

It's a human ecosystem. We all benefit from the health and wellbeing of all our parts, and that is the work we're doing. Together, we all have a more beautiful life. The gratitude for that kind of contribution can't be measured, but it's certainly felt.

Thank you so much for your ongoing support,

Dawn Shalhoup
Executive Director, Marin Charitable

Mr. John Wilhelm

2024 marked a truly extraordinary moment in the long and storied history of Marin Charitable. We were the fortunate beneficiaries of a significant bequest from Mr. John Wilhelm, a friend of Marin Charitable and partner of sustaining member Tora Dell Isi.

Mr. Wilhelm became a consistent supporter after learning about Marin Charitable's work in the community at one of our events. After his passing in 2023, we were notified that Marin Charitable was one of 24 charities he chose to name as beneficiaries in his trust. Mr. Wilhelm was a generous philanthropist, who made it his lifelong purpose to improve the world in which we live. He quietly gave generously and wholeheartedly to a multitude of causes. We are honored that he saw strength and value in our work and selected our organization out of the thousands available for his generosity.

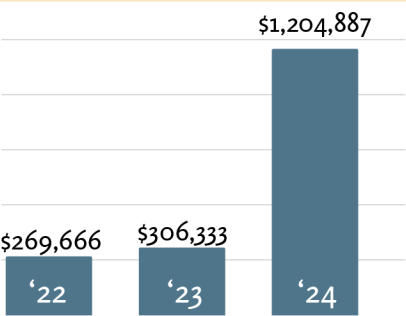

This bequest has already helped to increase the value of our Endowment Fund to over \$1.2 million and allowed us to set aside funds to hire our first ever Executive Director. Mr. Wilhelm's generosity has changed the trajectory of Marin Charitable, allowing us to help more of the youth of Marin County. We are immensely grateful to Mr. Wilhelm for launching Marin Charitable into this new chapter. Thank you.

2024 in Review

Marin Charitable donated \$256,725 in grants to 51 Marin county agencies.

Our grants impacted over 14,000 at-risk youth.

Our endowment grew from \$306,000 to \$1,205,000, generating more annual income that can be used for grants.

For the first time in our 63-year history, we hired an employee, our wonderful new Executive Director, Dawn Shalhoup!

Our mission:

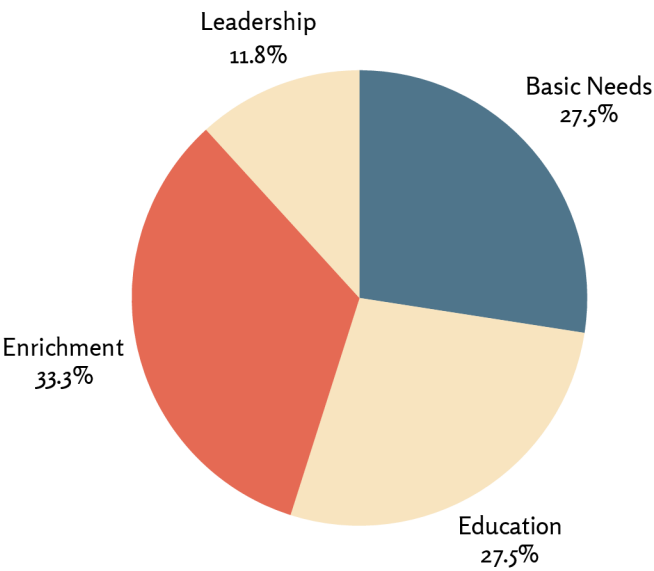

We believe that every child deserves the opportunity to have a happy and fulfilling childhood. We work to provide grants to organizations that offer critical support, education and enrichment for school-aged children in Marin County who have limited opportunities and resources.

Our Grantees

Starting in September every year, our Grants Committee conducts thorough research and individual visits with each applicant. We review their program, finances, and results to ensure our grants will be put to good use. All this work culminates at the annual Grants Ceremony. On February 19th, 2025, our grantees joined us at Homeward Bound to receive their grants. This year, we distributed over \$256,000 to 51 agencies throughout Marin County!

Fundraising

Thanks to our volunteers and our wonderful supporters, both the Spring Fling and Fall Fundraiser were a terrific success this year, bringing in needed funds to support our Marin agencies. But the effort didn't stop there – our members worked throughout the year to make sure the needs were met in a variety of ways.

Celebrating our Annual Events

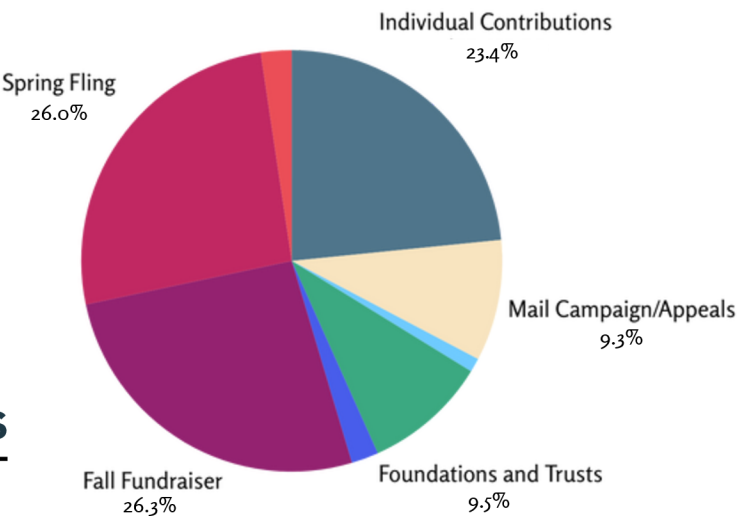

Spring Fling

Our Spring Fling, held at Marin Country Club in April, was a High Tea at Downton Abbey. We were greeted by Carson the butler and treated to the full Downton experience!

Fall Fundraiser

This year's Fall Fundraiser, The Spinn, was held at the Spinnaker in Sausalito on a beautiful October evening. There was magic in the air and even Elvis had a ball!
